

Florida's Differentiated Accountability Plan*

An "A", "B", "C", or ungraded school enters Differentiated Accountability (DA) after missing Adequate Yearly Progress (AYP) for two consecutive years. A school must make AYP two consecutive years to exit DA. If a school in DA makes AYP one year, the school's count of "years missing AYP" freezes. However, if that school then misses AYP in the following year, the school's count of "years missing AYP" resumes. Reaching AYP for two consecutive years restarts the "years missing AYP" count at zero. To re-enter DA, a school would need to miss AYP for two consecutive years.
